

You know that *Chicken Hawk Racing* rules the Roost when comes to Tire Warmers in the USA, but did you know we do that all over the World?

There's a reason that Australian Superbike Champion Troy Herfoss and his team came to CHR for Tire Warmers – they are reliable, they are temperature accurate, they heat MORE evenly and hold in MORE heat than other brands!!

Chicken Hawk Racing congratulates Troy Herfoss, of the Australia's Penrite Honda Racing team on his amazing double win at the Motul Pirelli Australian Superbike Championship this past weekend at Wakefield Park.

Herfoss was on his home turf with a huge turnout to see him cross the finish line with an impressive time. Herfoss beat riders from the Yamaha and Suzuki teams and gained a significant lead but still had to fight it out with Cru Halliday from the Yamaha team.

**Top Teams and riders are clearly choosing
CHR Professional Grade Tire Warmers.**
